SUZIE

- PSO Scholar in Spring 2017 working with Education and Conservation
- Connect to Protect Coloring Book, December 2017
- January 2018 started version 2.0
- Mentoring Young Dawg—teaching graphic design skills, developing background information and creating recipes.

LAUREN

- Started in Jim Affolter's Conserving Native Plants Course
- Part-time work turned into graduate studies
- Connect to Protect Graduate Assistantship--education, outreach and planning
- Post-graduate job with Athens Land Trust as the Invasive Plant Management Coordinator
- Continued partnership with SBG

PAULA

- MFA in Printmaking
- PSO Graduate Student
- Developed and taught graphic design skills to design Connect to Protect Coloring Book
- Designing outreach courses
- Developing a series of prints for Species Sponsorship program
- Awarded second year of funding for assistantship

PAULA

CAROLINE

- Young Dawg, UGA High School Intern program
- Learning under Suzie and working with Camaria
- “I know my time is up but I want to see a project through and would love to volunteer this summer.”
- Going to Georgia Tech in the fall

CAMARIA

- Undergraduate CURO Winner
- Foundation funding to work with Northeast Georgia Food Bank
- Developed Bee Smart Eat Smart curriculum for partners
- Trained counselors last Thursday and will be implementing and starting research next week
- Will be giving a presentation on Friday, 6/8, 8am, Magic Kingdom Ballroom 2

KIRSTIN

- Started as a federal work study student
- Working towards degree in elementary education
- Hired as a summer camp counselor and will be lead counselor for Sweet Pea Summer Camp
- Also known as our Craft Queen

- University gardens have an important role to play in training the next generation of leaders
- The cross between creativity and fine detail is a necessary combination
- We are part of UC Davis Arboretum's succession planning and will contribute what we learn to the process
- BUILDING A CULTURE OF LEADERSHIP
- BUILDING A LEADERSHIP COMMUNITY
- PROJECTS ABOVE THE WATERLINE – CO-CREATION – trying and failing and learning along with our students
